## ST. PAUL MESSENGER JULY ~ 2013

### FROM THE PASTOR —

I am writing this article while we are doing Vacation Bible School. It is wonderful to see all of the children here learning about the ways that God helps us to stand strong. They are singing and dancing, learning and playing, doing crafts and all of it is around God and his love for all of us. Wonderful.

We have a year-round opportunity for some of that same fun. Our Sunday School program is a strong part of who we are and what we do as a congregation. Throughout our history, we have had a strong program of education with some teachers sharing their love of God for decades.

We now have a program for our Kindergarten through Sixth graders that is known as a "rotational model." That means that the children are learning one Bible story for an entire month and rotating through story to craft to movies to other activities so that by the end of the month – they really know that story.

The teachers also have a real chance to learn and share and they teach their part each week for different groups of kids. It is a strong and fun way to learn of God's love.

We are looking for some people to help with that rotational model. We are looking for people who could give a month or two, or nine or ten or twelve. We are looking for people who want to learn the stories and share with others. It is a great opportunity for anyone to learn stories from the Bible and to help our children. Emily Clark would love to talk to any individual or group of people who wanted to help.

We are blessed to have all the wonderful people and so many children eager to learn. Think about this opportunity and pray about it. It could be really fun.

Yours, in Christ,

Pastor Steve

## **BUILDING PROJECT COMMITTEE WORK** —

We are now at twelve weeks and counting toward our dedication Sunday. Our building is now on line with electricity. Some work remains with over 200 switches and outlets to be installed. Work is progressing on the final drywall installation in the sanctuary. Ceiling work and painting will follow shortly. Our organ has been taken from us with many parts in Akron and other pipes and equipment being temporarily stored in our barn, pastor's garage, and the front of the chapel. We hope to have several classrooms painted with some distinctive patterns and pictures by teachers and/or volunteers. Doors and wood trim will be stained shortly and installed in their proper places. Our suspended ceiling in the educational wing should be completed this week. Tiles will be installed at a later date. Please continue your prayerful support for our workers and volunteers.

## Hospital Stays

It is important to the church that we support you through illness and hospitalizations. If you are admitted to Blanchard Valley Hospital for an overnight stay we would like to know.

If you are planning an admission to any hospital, please call the church office at 419-326-3535 to let us know the date you are entering and how long you anticipate staying.

At admission to BVH, *planned or unplanned*, you (or your spokesperson) will be asked several questions,

1. Religion: this may be asked at pre-registration or at admission along with your address, phone number, etc. Please give our denomination.
2. If you wish to be on the Hospital Directory and the Religion List. These questions will be asked of you (or your spokesperson) during the “Consent to Treatment” process. Please answer “yes” to both.

In order to protect your privacy the hospital does not routinely call the church to tell us you have been admitted, unless you specifically ask them to call us. We depend on you or your family to let us know if you have been admitted.

If you have been in the hospital for a day or two and have not been visited, please ask your family or nurse to contact the church office.

A new federal law greatly restricts the disclosure of patient information by hospitals. As a result, the pastors and church office may not know that a member of the church has been admitted to the hospital. If you are hospitalized and would like to notify the pastor, it is important that you or a member of your family inform the church office as soon as possible at 419-326-3535 and the secretary will contact the pastor.

**School's out for summer!** What better way to spend your summer vacation than at the beach! **Girls, if you're going to be in 7<sup>th</sup> – 12<sup>th</sup> grade next school year, check out our summer Bible Study on Tuesday mornings.** We will be "going to the beach" to discover how **You're Designed to Shine.** **Our first session began on Tuesday, June 11<sup>th</sup>.** We will continue to meet on Tuesdays in July from 10:30 am – 11:30 am. **Any questions, see Emily Clark.**

**Summer Feeding Program** — When we come to the end of our work days, most of us are hungry and ready for dinner. Too often for people, even people in our midst, there is nothing for dinner. At the Arlington School 20% of the students are on free and reduced lunches. This past school year we here at St. Paul, along with Good Hope and the Arlington United Methodist Church, worked with the schools and provided weekend food for some of these children. This summer our three congregations, along with First Brethren in Williamstown, will provide a lunch for these, and anyone else who comes. Good Hope will do Mondays, with the Methodists doing Wednesdays and we will serve on Fridays. We will serve at the large pavilion in the Arlington Park near the pool.

This is an opportunity for us to reach out with a simple meal for those who would not have one otherwise. This is a way for us to reach out in love, to live the unity Christ prayers for us and to have fun with each other and with the community. We are looking for people to help on Fridays. We are looking for individual servings of fruit and pudding. We are looking for juice and such. It will be a great way for us to help. If nothing else, please pray that lives will be touched in the love that comes from God.

**SCHOLARSHIP FOR MINISTRY STUDENTS:** The Trustees of St. Paul request that anyone interested in being considered for the Crates Memorial Scholarship Fund should submit a letter of interest to the Trustees on or before Sunday, July 14<sup>th</sup>. Please contact Natalie McClelland with questions, 419-722-4324.

**JULY SEWING DAY – Tuesday, July 23<sup>rd</sup> from 9:00AM – 2:00PM.** Come all of the time or part of the time for the opportunity to help others in need, good fellowship, and good food. Bring a dish to share for lunch.

**NEEDED for SEWING DAYS: Clean used sheets — any size.**

**ATTENTION SHIPWRECK DESENDANTS** — A. J. duFresne is working on a new book about the wreck of the Famous Dove and their journey to these parts after the wreck. A. J. produced a video in 2003 entitled “Jenera Shipwreck Survivors” and also put together a program aired on BGPBS.

If you have pictures of any items which were on the ship or any information about the time between shipwreck and arrival here or any letters from these early days that have not been published in previous booklets, please contact Darwin Wilson at 419-326-9806. Darwin is working with A. J. on this project.

**Planning continues for our 6<sup>th</sup> Mission Trip to the Navajo Reservation and Rock Point, Arizona.** We will be on our trip July 6<sup>th</sup> – 16<sup>th</sup> and currently have 22 youth and 21 adults attending! Thank you to all the folks who have helped us and continue support us financially as well as in prayer.

**Christian greeting cards are available for \$1. per card on the counter in the overflow area. This display is sponsored by the St. Paul Youth.**

**ST. PAUL YOUTH RECYCLES** — St. Paul youth has put a box at the back of the overflow area to collect USED print cartridges from your printers. So, don't throw those cartridges away anymore, put them in the box and we will recycle them and make a few bucks in the process. Everyone wins! Anyone is welcome to place cartridges in the box. Thanks!

**FIRST SUNDAY ACTIVITIES:** There will be **NO JULY** First Sunday activities because of the Navajo Mission Trip which is from Saturday, July 6<sup>th</sup> — Tuesday, July 16<sup>th</sup>.
